

Early University Entrance at Dublin City University

Student Recommendation Form

The Early University Entrance Programme at Dublin City University is designed to give academically talented students an opportunity to study degree level course work as part of their Transition Year programme. The programme is selective because there are a limited number of places on this programme.

The student at your school who approached you for a recommendation is keen to participate in the programme which allows them to study university

level subjects on one day each week, in DCU, during the 2024-25 academic year. If you are happy to, please complete this recommendation form and return to:
