In partnership with

01

MASTERS PROGRAMME, FACULTY OF ENGINEERING AND COMPUTING MASTERS

ABOUT US

DCU is Ireland's leading young university and first in Ireland or its graduate employment rate. Recognised nationally and internationally for the outstanding quality of its courses, the Faculty of Engineering and Computing focuses on preparing students for careers in the engineering and ICT (information, communication and technology) sectors. Choosing a DCU masters in engineering or computing will give you the critical knowledge and skills you need to flourish in the technological society of the 21st century.

THE SCHOLARSHIP

DCU will be offering one full-fee scholarship for a part-time student on one of the following master's programmes in the Faculty:

[MSc in Computing](#) (with Major options)

[MEng in Mechanical and Manufacturing Engineering](#) (with Major options)

[MEng in Electronic and Computer Engineering](#) (with Major options)

HOW TO APPLY

APPLICATION PROCESS

Applications are submitted electronically to:

Áine Nolan

Senior Marketing and Communications Officer
DCU Faculty of Engineering and Computing
aine.nolan@dcu.ie

Applicants must meet the minimum entry requirements for their programme of interest and are advised to check the requirements on the course page.

ADDITIONAL DETAILS

An applicant must submit the following:

1. A curriculum vitae, which sets out qualifications and work experience (the CV should be limited to three pages)
2. A letter of application which outlines why the applicant should be considered for the scholarship (word limit = 750 words). The letter should indicate which postgraduate programme interests the applicant.

CLOSING DATE

12 June, 2023

THANK YOU

We'd like to thank all of the Education Institutions throughout Ireland who have generously put forward scholarships towards this year's programme.

We could not do this without you!
