

21st international ion chromatography symposium

Baily lighthouse near Dublin

Symposium Chair:

Brett Paull, *Dublin City University, Dublin, Ireland*

Symposium Co-Chair:

Miroslav Macka, *Dublin City University, Dublin, Ireland*

Local Organizing Committee:

Damian Connolly, *Dublin City University, Dublin, Ireland*

Jeremy Glennon, *University College Cork, Cork, Ireland*

Kieran O'Dwyer, *Dublin City University, Dublin, Ireland*

Scientific Organizing Committee

Teresa Chow, *Illinois Sustainable Technology Center, Champaign, IL USA*

Jim Fritz, *Iowa State University, Ames, IA USA*

Paul Haddad, *University of Tasmania, Hobart, Australia*

William LaCourse, *University of Maryland, Baltimore County, Baltimore, MD USA*

Stephane Mabic, *Millipore Corporation, St. Quentin en Yvelines Cedex, France*

Christopher Pohl, *Dionex Corporation, Sunnyvale, CA USA*

Helwig Schäfer, *Schäfer Consulting, Fritzlar, Germany*

Kannan Srinivasan, *Dionex Corporation, Sunnyvale, CA USA*

Robert Stevenson, *ISC, Inc., Lafayette, CA USA*

Lynn Vanatta, *Air Liquide-Balazs™, Dallas, TX USA*

21 - 24 September 2009
Grand Hotel Malahide
Dublin, Ireland

21st international ion chromatography symposium

Preliminary List of Parallel Sessions

- Industrial Applications I – Food and Beverage
- Industrial Applications II – Pharmaceuticals and Fine Chemicals
- Industrial Applications III – Nuclear and Power Generation
- Bio-Analytical Separations
- Trace Analysis and Pre-concentration Based Methods
- Environmental Analysis I – Anionic Species
- Environmental Analysis II – Cationic Species
- New Column Technologies I – Packed Columns
- New Column Technologies II - Monoliths
- Forensic Analysis
- Advances in Detection
- Hyphenated Techniques and Speciation
- Capillary, Miniaturised and Chip Based Methods I – Electrophoretic
- Capillary, Miniaturised and Chip Based Methods II - Chromatographic

Short Courses

- Introduction to Modern Ion Chromatography
- Principles and Applications of Capillary Electrophoresis
- Statistics for Analytical Chemists: Calibration, Detection and Quantitation
- Detection Techniques in Ion Chromatography

For More Information

For program updates, abstract submission, information on exhibiting and/or sponsoring, hotel information and on-line registration, please visit the Symposium Web site frequently at www.casss.org. For additional information, please contact the CASSS offices in the USA or Germany as follows:

Symposium Manager (USA)

Karen A. Bertani, CMP

Phone: 1-510-428-0740

Fax: 1-510-428-0741

Email: kbertani@casss.org

Symposium Manager (Europe)

Joan Oefner

Phone: 49 (0) 941-942-9148

Fax: 49 (0) 941-943-5019

Email: joefner@societymanagement.com

► **Three Day Exhibition
of State-of-the-Art
Instrumentation and Equipment**

► **Three Days of Scientific Posters**

► **Technical Seminars**

► **Networking Events**

Abstract Submission Deadlines

1 June 2009 for oral presentations

31 July 2009 for poster presentations

Hotel Reservations

Dublin, Ireland

Phone: 00353 1 845 00 00

Fax: 00353 1 845 09 87

A limited number of rooms have been reserved at a special group room rate for International Ion Chromatography Symposium attendees of €125 for single occupancy and €165 for double occupancy. A Full American Buffet Breakfast and VAT tax is included in the room rate. Reservation cut-off date for the discounted group rate is 24 July 2009.

Please visit the CASSS website at
www.casss.org for updates.
