Graduate Research Training Programme Semester 2 2016-2017

DCU Graduate Studies Office

- Students will be invited to register for sessions via Loop. Details will be communicated via email as well as on the **GSO Loop page** (loop.dcu.ie). You will find the GSO page under the 'my courses' tab (called **2017_GRADRES).**

- Online workshops are delivered via DoctoralNet. Sign up for individual workshops via the bigmarker link provided.

- Students should take note that there is a limited number of spaces for some of these sessions. We ask that you only register for a space if you are certain that you will attend. In the case that you need to cancel a space, please contact **stephen.carroll@dcu.ie** as soon as you know.

- There is a cost associated with running these sessions; continuation of our training programme is dependent upon student interest.

- The dates and times are **provisional**. Please check your email in advance of each session for any notifications. The location of sessions will be confirmed at the time of registration.

Research Integrity Programme	Communication Skills	Technical & Library Skills	Empowering Progression	Researcher Careers
