STUDENT DECLARATION

Standards of Conduct
I understand that as a Student of Dublin City University (the “University”), I will be viewed as a member of the university. Accordingly, I recognize that behavior on my part that’s violates laws or university regulations could reflect negatively not only on myself but also the University. I am fully aware that as an officially sanctioned academic programme trip of the University, all University rules and regulations apply. This includes:

- The Policy to Promote Respect and Protect Dignity (http://www.dcu.ie/equality/respect.shtml)

Specific Rules for the Trip:
1. Instructions of DCU academic members of staff will be followed at all times.
2. No alcohol is permitted in the accommodation facilities.
3. Curfew each night is 2am at the latest.
4. Students must attend all classes and field work components and other class activities unless excused by an academic member of DCU staff.
5. Each student has a responsibility to ensure that he/she is not, through the consumption of alcohol or a drug, in such a condition as to endanger personal safety or that of others.
6. Each student should have consideration for others particularly in hotels and other residential accommodation and must always act in a manner that does not jeopardise either their own, a fellow colleagues or member of the public’s health, safety and welfare.

Failure to abide by the above rules and/or the University Code of Conduct may results in sanctions up to and including being sent home and/or expulsion from the University.
Health and Safety
I recognize that I am responsible for my personal medical needs. I declare that there are no health-related reasons or problems which restrict my participation in this programme or, if there are, I have provided all relevant details in response to questions below.

Q1. Do you have any know medical condition, including allergies that may affect your health and safety on the field trip? YES NO

If YES, please provide details on the nature of the condition and possible symptoms that might be observed.

Q2. Do you carry any special medication or medical equipment?

If YES, what is the medication, and where can it be found if needed?

Please note: Medical Information will be kept confidential with the Field Trip Academic lead member of staff

In the event of an emergency situation, the contact provided by me below will be informed as soon as possible.
