## Bank of Ireland Start-Up Awards

The Bank of Ireland Start-Up Awards are all about recognising the very best of young Irish businesses and rewarding them for their innovation, endeavour and hard work.

By celebrating that entrepreneurial spirit, the Bank of Ireland Start-Up Awards seek to recognise and reward Ireland's most dynamic Start-Up businesses.

We are inviting entries from young Irish companies, partnerships and sole traders in categories across all sectors of the economy.

## Prize Package

There is a prize package worth €100k.

We have been getting ready for the 2015 awards by asking this year's judges exactly what they are looking for in a good entry and you can see their guidelines at [startupawards.ie](http://startupawards.ie)
