

## **New Frontiers Programme - Information Session**

**Wednesday 6th February at 3:30pm**

**Invent DCU - Seminar Room**

Everyday, everywhere around the world people innovate, explore, invent and collaborate to break new frontiers.

You can too!

Ireland's largest entrepreneur development programme is recruiting individuals who have an innovative idea for a new business.

This intensive programme will equip you with the skills you need to establish and run your own company.

The New Frontiers programme is funded by Enterprise Ireland and will give you access to a comprehensive suite of supports, a desk in a campus incubator, 1-to-1 mentoring from start-up experts, business master-classes and networking with potential investors plus €15,000 in financial support to accelerate your business start-up.

Dublin City University in collaboration with Dundalk Institute of Technology (DkIT)) are now offering this comprehensive programme of supports for start-ups with new and innovative business ideas that have high commercial and export potential.

To find out more about this programme and how it may help your business please **come along to our information session in Invent DCU on Wednesday 6th February at 3:30pm.**
