1. Programme Specific Rules and Requirements

None specified

2. Derogations from Marks and Standards

Marks and standards apply.

3. Progression

3.1 Credits for Progression

Students must successfully have completed a minimum of 60 credits in a study period in order to progress to the next study period.

At the end of Year 2 of the ET / BET programmes, students who have been given permission by the Programme Board to pursue the Further, Adult and Continuing Education pathway may progress to ETF3 / BETF3, and, if successful, will be considered for the award of BSc in Education and Training (Further, Adult and Continuing Education) at the end of ETF4 / BETF4.

3.2 Carrying modules into the next academic session

Under exceptional circumstances, the Progression and Award Board may permit students to progress carrying modules up to a maximum of 10 credits from a previous study period

3.3 Exit Awards

Where a student requests to exit a programme with a lesser award the following precision rules apply. Core modules, must be included in the calculation of the precision mark. When a student has completed more ECTS credits than needed for the award, any remaining credits required for the calculation of the precision mark will be selected from the remaining modules taken, using the best marks obtained. All marks used in the calculation of the precision mark will be the marks obtained at first attempt.

Students registered on the BSc in Education and Training programme (flexible-learning mode) have the option to exit from the programme at the end of year 2 having successfully passed 120 ECTS credits of taught elements as per the programme academic structure, and graduate with a Diploma in Education and Training.

4. Compensation

Compensation may apply, within the regulations specified in Marks and Standards, to all modules except the following:

<i>Module Code</i>	<i>Module Title</i>
