

FACULTY OF SCIENCE AND HEALTH

Programme Regulations 2017-2018

Programme Title	MSc in Financial Mathematics
Programme Code	MFM
Offered on a full-time or part-time basis	Full-time and Part-Time

Note: Programme Regulations should be read in conjunction with Marks and Standards which can be found at <http://www.dcu.ie/registry/examinations/index.shtml>

1. Programme Specific Rules and Requirements

The assessment of the project module MS510 is based on:

- A preliminary presentation to take place in semester 1
- A written report normally submitted in September
- A presentation attended by the external examiner in September

There is no re-sit opportunity for this module. A student who fails the project will be given a single new opportunity (with a fresh project) the following year.

This programme will only run when it is viable to do so. Hence students who fail/defer modules may not be able to repeat/take those modules in subsequent academic sessions, and appropriate substitute modules may not then be available.

2. Derogations from Marks and Standards

Marks and Standards apply.

3. Progression

Full-Time Offering:
Marks and Standards apply.

Part-Time Offering:
Students must complete modules MS508 and MS537 in year one to be permitted to progress to following year of study. Modules MS509 and MS555 must be completed in year two.

Remaining core modules MS525, MS526 and Project Module MS510 can be completed during either year one or year two.

4. **Compensation**

Marks and Standards apply.

5. **Resit Categories**

The resits offered for the August examinations diet vary depending on the module to be re-taken. The following is an explanation of the resit categories.

Resit category 1: A resit is available for all components of the module.

Resit category 2: No resit is available where the module is 100% assessed by Continuous Assessment.

Resit category 3: No resit is available for the continuous assessment component and the examination must be re-taken.
