

IRELAND CANADA UNIVERSITY FOUNDATION

Dobbin Scholarships 2012 - 2013

The Ireland Canada University Foundation offers an annual programme of scholarly exchange awards open to all academic disciplines, between the universities of Canada and Ireland. Founded in 1993 by Dr. Craig Dobbin of Newfoundland and Dr. Patrick Hillery, former President of Ireland, the Foundation was recognised also in a Memorandum of Understanding in 2004 by the Taoiseach, Mr. Bertie Ahern T.D. and Canadian Prime Minister, Rt. Hon. Paul Martin M.P.

These scholarships are tenable for travel from Ireland to Canadian universities, in order to support the scholars' research on a topic relating to both countries. The scholarships fund short periods of exchange, typically one month, are valued at €5,000, and are targeted at scholars in the early stages of their research career. The scholarships are generously sponsored by Craig C. Dobbin, with the assistance of the Government of Canada / avec l'appui du Gouvernement du Canada, and the Irish Government and by:
