Psychotherapy Supervision

Who should apply?
Applications are open to suitably qualified counsellors, psychotherapists and psychologists for the purpose of professional development in psychotherapy supervision.

Module aim:
Participants will engage in the study and critical discussion of the dominant modes, conceptual and theory bound models underpinning psychotherapy supervision.

Module content to include:
• Theoretical, practical, professional and personal development in psychotherapy supervision
• Individual, peer and group supervision modes of supervision
• Developmental and social role conceptual models of supervision
• Process orientated conceptual models of supervision
• Psychoanalytic, humanistic, cognitive–behavioural and systemic theory bound approaches in psychotherapy supervision
• Professional issues including contracting, boundary setting in supervisory relationships, supervisor responsibility, assessing supervisees’ competences, maintaining high standards of safe and ethical practice and ending supervisory alliances
• Philosophies of supervision
• Ethical issues and Codes of Ethics and Practice

Module structure:
This DCU accredited module will be delivered over 10 full days, between September 2017 and April 2018. The module is also delivered to registered students of the Doctorate in Psychotherapy - www.dcu.ie/snhs

Commencing: September 2017

Applications will close: 24th August 2017 5pm

Module code: NS620
Credit/Level: Level 9, 20 ECTS Credits

Cost of module: €1230 - Additionally participants are required to attend and pay for a minimum of 5 external supervision consultation sessions
