Graduate Diploma in Management of Internet Enterprise Systems (MSISAD)

****IMPORTANT MESSAGE****

The purpose of this information sheet is to allow you view all modules connected to the Qualification, optional and core. You should print this sheet out and then continue to the next step where your registration will take place.

It is your responsibility to ensure that you register correctly

****

When selecting modules you should register based on the month you first commence(ed) your programme of study.

The table below shows the pathway a student should take depending on their month of entry.

For example, if you are a September intake student, you should follow the table on the left and register for OSC1 and OSC2 in your first year, followed by OSC12 and OSC3 in your second year.

If you are a January intake student, you should follow the table on the right and register for OSC2 only in your first year, followed by OSC12 and OSC3 in your second year. Finally, you should register for OSC1 in

your third year.
