**** IMPORTANT MESSAGE ****

The purpose of this information sheet is to allow you view all modules connected to the Qualification, optional and core.

You should print this sheet out and then continue to the next step where your registration will take place.

It is your responsibility to ensure that you register correctly.

Please note there is no new intake for SIE for 2023

Students are eligible to request to graduate with a Certificate having successfully completed four modules (1 core + 3 optional modules). Alternatively, students who have successfully completed four certificate modules can opt to register for the SI711 Dissertation module in September in order to graduate at Diploma level.

Please note alternative modules for continuing, deferred, repeat students.

For example: if you are were previously registered for SI605 and are still to complete this module you **must now** register for SI420 see below for full listing.
