

# FÁILTE ONLINE

Fáilte ar Líne is a digital education project that started in 2018 in collaboration with the NIDL and Fiontar & Scoil na Gaeilge in DCU.

“Thoroughly enjoyable, beautifully presented, entertaining as well as educational. Time well spent!” - Rosemary D

We design, deliver and facilitate online Irish language and culture courses on the FutureLearn platform ranging from beginners to intermediate levels, that are available to the global Irish diaspora.

Since 2018, we have welcomed and socially engaged with more than 100,000 Irish language and culture learners from across 200 countries on our courses!

“This is an excellent course. There is something for everyone in it from beginner to those more advanced - a really good variety. - Brian M
