Programme Regulations 2021-2022

Programme Title	**BSc Computing for Business**
Programme Code	**COMBUS1**
Offered on a full-time or part-time basis	**Full Time (01)**

Note: *Programme Regulations should be read in conjunction with Marks and Standards which can be found at https://www.dcu.ie/ovpaa/Policies-and-Regulations.shtml*

1.   Programme Specific Rules and Requirements

1.1   Calculation for the Award Classification

The calculation of the final year award classification includes contributions from previous years' results as follows:

Year contribution	Contribution to the award classification
Year 3	15%

Where a student takes all pass fail modules in year three and has no precision mark calculated, their 4th year precision mark will be based on 4th year results only.

1.2   Module Calculation (specific modules)

There are modules on this programme where the module mark will be calculated as the greater of (a) the weighted average of the continuous assessment percentage mark and the terminal examination percentage mark or (b) the terminal examination mark.

The modules are as follows:

Module Code	Module Title
MS115	Mathematics for Enterprise Computing

2.   Derogations from Marks and Standards

Marks and Standards apply.

3.   Progression

3.1   Credits for progression

Students must have successfully completed a minimum of 60 credits in a study period in order to progress to the next study period.

3.2   Carrying of modules

Students will not be permitted to "carry" modules except in exceptional circumstances and subject to the approval of the Progression and Award Board and mode of delivery permitting.

4.   Compensation

Compensation may apply, within the regulations specified in Marks and Standards.

5.   Resit Categories

The resit categories of modules on this programme and an explanation of those categories can be found at:
