

## Presidents Engagement Award 2020

## Aisling Project Science Evenings

*“Their enthusiasm, knowledge and expertise shows our children what they can aspire to in their own lives.”* Michael Clear, Project Leader of Aisling Project

## Barretstown Science Camp

*“The expertise and knowledge of the BRS allowed our campers to partake in activities they would not necessarily otherwise have been exposed to.”*

Shoni Tavendale, Programme Manager at Barretstown

## Postgraduate Student Wellbeing

*“What impressed me most is the number of ideas and initiatives that transformed into a series of tangible events that were beneficial to so many students across the School and beyond.”*

Anne Parle-McDermott, Head of the School of Biotechnology, DCU
