

# Alphabet Soup

A Collection of LGBTQ+ Terminology

**Alphabet Soup** is a comprehensive collection of terms and phrases used by and about the **LGBTQ+ community**.

The project aims to increase societies understanding of LGBTQ+ people and their diverse identities which then leads to greater compassion and acceptance of minority sexual and gender identities.

A good starting definition is:

**LGBPTTQQIIAA+:** Any combination of letters attempting to represent all the identities in the queer community, this one represents **Lesbian, Gay, Bisexual, Pansexual, Transgender, Transsexual, Queer, Questioning, Intersex, Intergender, Asexual, Ally.**

The terms covered in the project are related to the LGBTQ+ community. Although every effort has been made to make this as inclusive as possible there may still be mistakes and not everyone uses these definitions. Also, as is the beauty of language and human beings, some people may have totally different definitions or understandings of these words.

**When in doubt ask respectfully and in private.**
