Are you considering returning to higher education?

The Bridge to Education programme will help you prepare, personally and academically, for returning to third level education.

It will equip you with the knowledge, skills and competencies you can use in your future study and in the workplace, and give you the confidence boost needed to take the next step in your education and career.
What will be covered?

- Learning styles and strategies
- Setting goals and mapping your experience
- Study skills
- Communication and presentation skills
- Information technology – computers for college and the workplace
- DCU Campus workshops, guest speakers and events and many more!

Successful participants will receive three FETAC Level 5 component awards:

- Communications
- Research and Study Skills
- Personal and Professional Development
