Mental Health Services in Dublin North Central

When an individual experiences a mental health problem, contact with their general practitioner (G.P.) is usually their first formal attempt to seek help. This contact can be the key to a timely and successful resolution of their mental health problem. The G.P. will either identify the problem and treat it or refer the person on to the locally based consultant-led mental health team.

Consultant-led multidisciplinary teams provide services on a geographical basis to the following districts.

- Ballymun +353 1 846 7084
- Mater Hospital catchment area +353 1 868 1400
- Marino +353 1 836 9900
- Millmount +353 1 837 8763
- North Strand +353 1 855 4590

Access to the teams is through GP referral.

EVE is a programme within the HSE. It provides a range of person-centred community services in Dublin, Wicklow and Kildare on behalf of the Local Health Offices. There are currently 20 locations catering to the needs of 1,000 participants in training programmes, community-based services and clubhouses annually. Referrals to this service are made through mental health clinics, special schools or through the service directly. This is an over 18's adult service.

Addiction Services - LHO - North Dublin

The Addiction Service supports the provision of an integrated range of preventative, therapeutic, and rehabilitation services to meet the diverse health and social care needs of our service users in an accountable, accessible and equitable manner.

The Addiction Service promotes a drug-free lifestyle by providing prevention, treatment, rehabilitation and aftercare programmes to minimise the harmful effects of substance misuse and prevent the spread of HIV / Hepatitis and other infections.

Referral and access to the Addiction Service is through Self Referral, Family Members, GPs, Drop-in Centres, Needle Exchange, Treatment Centres, Satellite Clinics, Community Support Groups, and through the Garda Arrest Referral System.

Needle Exchange services for under 16yrs require parental consent.

Needle exchange is a confidential service for injecting drug users, where they are able to get sterile injecting equipment and dispose safely of used injecting equipment

Contact the Treatment Centres / Satellite Clinic or any Outreach Worker at any Clinic or Needle Exchange in your area to arrange your first visit

For information on and access to **Adult ADHD APP**: please see below:

The ADHD in Adults National Clinical Programme in partnership with ADHD Ireland and the UCD School of Psychology developed the Adult ADHD App.

The App provides specific information for adults who have ADHD or think they may have ADHD.

It is available to download from apple and google app stores and through <https://adult.adhdirl.ie/download>.

The app provides self-care and signposting information regarding adult ADHD. It is important to note that this is not a treatment programme.
