

# Open Research for Global Impact

## Application Form

**Name of Lead Researcher:**

**Email address of Lead Researcher:**

**School/Centre:**

**Co-Researchers (if applicable):**

### **Title of presentation**

Draft title for your presentation

---

### **Proposed Theme of your Presentation (50 words)**

Outline what aspects of open research and impact will be the main focus of your presentation

---

### **Research Overview (150 words)**

Outline (in terms a layperson could understand) the research. Please include:

- a) A brief description of the primary disciplinary field(s) in which the research has been undertaken
  - b) The major research questions animating the research programme
  - c) Information on publications or other outputs
-

**Open Research Component(s) (150 words)**

Outline which open practices were applied in your research (e.g., open access, open or FAIR data, open methods, open software, citizen science, PPI)

---

If relevant, please share link(s) to openly available resources connected to your research.

---

**Impact (150 words)**

Describe how these practices enhanced (or have the potential to enhance) the reach, uptake, or engagement of your work, particularly at international level. Where possible, provide information which evidences the research impact (e.g. testimonials, reports, media references etc.)

---

**Signature of Lead Researcher:**

***Please submit to [research@dcu.ie](mailto:research@dcu.ie) by 5pm on 30th June 2025 using 'Application - Open Research for Global Impact' in the subject line.***
