Research Assistant

The Research Assistant will work primarily on DCU's *Fáilte ar Líne* project. Building upon existing pioneering developments in digital learning and the Irish language, this post offers an exciting opportunity for the successful candidate to work with a dynamic and interdisciplinary team. Under the direction of the Principal Investigator, you will work closely with the project team. **The contract will be a fixed term contract of one year commencing on appointment.**

General Requirements

Honours primary degree in Modern Irish (with at least a 2.1 in the Irish element of the degree). A high degree of accuracy in written Irish and a good knowledge of Irish grammar is required. A written test in Irish may form part of the recruitment process. Applicants must be prepared to work as part of an interdisciplinary team; they must be organised and diligent, possessing the ability to work to deadlines. Applicants must have basic computing skills.

Responsibilities

- Develop, disseminate and complete research outputs under the guidance of the Principal Investigator;
- Take part in marketing initiatives associated with the project;
- Perform administrative duties related to the project;
- Carry out such other duties as may be determined and required from time to time by the Principal Investigator.

Skills Requirements

- All applicants should be fluent in Irish and be able to demonstrate a high level of proficiency in written Irish;
- Possess excellent interpersonal skills and the ability to establish effective working relationships with the team;
- Understand the research process;
- Possess the ability to work as part of a multi-faceted team;
- Outline priorities and manage your workload effectively;
- Be willing to travel between campuses and work out of hours as necessary;
- Display a willingness to engage in and to conduct opportunities for further training and development.

Salary Scale

€22,109 - €34,612: * Starting point will be in line with experience and qualifications.

The appointment will be commensurate with qualifications and experience and will be made on the appropriate point of the salary scale, in line with current Government pay policy.

Deadline for Applications: 12 March 2019
