Dublin City University (www.dcu.ie) is a research-intensive, globally-engaged, dynamic institution that is distinguished both by the quality and impact of its graduates and by its focus on the translation of knowledge into societal and economic benefit. Excellence in its education and research activities has led to its consistent ranking in the top 50 of the world’s young universities (QS Top 50 under 50). DCU prepares its students well for success in life, and in the workplace, by providing a high-quality, rounded education appropriate to the challenges and opportunities of the 21st century.

DCU Institute of Education

In a development of major significance for education in Ireland, DCU is establishing the nation’s first university faculty of education. By combining leading colleges of education in Ireland with its own School of Education Studies, the university has assembled the largest community of educational expertise on the island. The DCU Institute of Education is home to internationally-recognized experts in teaching and learning who are committed to research and scholarship and who work closely with students in an innovative environment for 21st century learning.

The DCU Institute of Education comprises six schools and is now seeking to attract outstanding candidates for the following academic positions;
