

Strategic Procurement and Supply Chain Manager

DCU is a young, dynamic and ambitious university with a distinctive mission to transform lives and societies through education, research and innovation. Since admitting its first students in 1980, DCU has grown significantly both in student numbers and size. By September 2016 DCU will have 16,000 students and will operate across five campuses in the Glasnevin / Drumcondra area of Dublin.

DCU's excellence is recognised internationally with the University being ranked highly among leading global institutions. DCU is currently included in the QS Top 50 Universities in the world under 50 years old out of a total of almost 10,000 universities established since 1966.

DCU is the Ireland's fastest growing University and its next phase of major development involves strategic investments of more than €0.3bn, including a €0.2bn campus development plan.

DCU requires a Strategic Procurement and Supply Chain Manager. This individual will have overall responsibility for the management of the procurement and supply chain management function for the University and its commercial group of ten companies.

DCU is seeking excellent candidates with relevant experience in a similar environment with a demonstrable track record of achievement in a procurement and supply chain management role.

The job description can be found here <http://www4.dcu.ie/hr/vacancies/current.shtml>. An attractive remuneration package will be offered to the successful candidate.
