

DCU BUSINESS SCHOOL

Assistant Professor in Digital Business/E-Commerce/Business Systems

Fixed Term Five Year Contract

Dublin City University (www.dcu.ie) is a research-intensive, globally-engaged, dynamic institution that is distinguished by both the quality and impact of its graduates, and its focus on the translation of knowledge into societal and economic benefit. DCU prepares its students well for success in life, and in the workplace, by providing a high-quality rounded education appropriate to the challenges and opportunities of the 21st century.

Excellence in its education and research activities has led to DCU's consistent presence in the rankings of the world's top young universities. It has been placed in the top 50 international universities under 50 years old in the QS 'Top 50 Under 50' rankings for the past four years.

DCU has a strong track record in attracting both Irish and European Union funding under FP7, Horizon 2020, Marie Curie Actions and Erasmus. We offer a dynamic and internationally focused environment in which to advance your academic career.

DCU Business School is a young and dynamic school whose history is marked by steep upward development. From the outset, our guiding voices were those of industry and students, and as a result, we are today distinctive for our deep and responsive industry engagement and our close concern with the success of our students. From those beginnings in the 1980s, and particularly over the last ten years, DCU Business School has developed an excellent research profile characterised by its industry relevance and a strong international reach. The School is accredited by AACSB and AMBA and our programmes have appropriate professional accreditations. DCU Business School is an engaged, innovative internationally-focused school which prides itself on its excellent reputation for impacting students, the academic community, industry and wider society.

Position

Reporting to the Executive Dean of DCU Business School, the successful candidate will conduct high quality research and teaching in Digital Business/E-Commerce/Business Systems and will also participate in the School's external engagement activities. Further, the successful candidate is expected to contribute to programme management, research supervision and the service activities of the School and University.
