Applications are invited from suitably qualified candidates for the following position:

#BC1009 Assistant Professor in Bioprocess Engineering

School of Biotechnology

2 Year Fixed Term Contract

Role Profile
This position is suitable for candidates with a Ph.D who are on a career trajectory that is transitioning to research independence. Their track record should include an excellent publication record detailing first/senior author publications and/or other research outputs as appropriate for career stage; evidence of a pathway to securing independent funding and an educational background to deliver modules in the area of Bioprocess Engineering.

The duties of the post fall within DCU’s Academic Development and Promotions Framework (https://www.dcu.ie/hr/DCU-Academic-Development-Promotion-Framework.shtml) and the principles of the School’s Academic Workload Model with activity across the domains of teaching, research and administration and are in line with DCU’s strategic plan “Talent, Discovery and transformation: 2017-2022”.

This position is open to candidates who meet the following criteria:

- Candidates must hold a Ph.D in the area of Bioprocess Engineering, Environmental Engineering, Brewin and Distilling or Microbial Biotechnology.
- Evidence of teaching ability/quality in the area of Bioprocess Engineering at Undergraduate and/or postgraduate level.
- Have a publication record that includes first/senior author peer-reviewed original publications in their research area as appropriate for career stage.
- Have an active research profile that demonstrates a pathway to future research independence such as Fellowship, Co-Investigator, Collaborator and/or Principle grant applications to date.

Additional Experience:

- Contributing to School or university level committees/projects.
- Contributing to School research strategy.
- Serving on School level boards or other School based roles.
- Experience of work place supervision.
- Teaching into multiple programmes in one academic year.
Closing date: 8 November 2019

Salary scale: €53,101 - €84,492 (Assistant Professor Above the Bar)

Informal Enquiries in relation to this role should be directed to:
Dr. Anne Parle-McDermott, Associate Professor, Head of School, School of Biotechnology, Dublin City University, Dublin 9. E-mail: anne.parle-mcdermott@dcu.ie  Telephone: + 353 1 700 8499

Please do not send applications to this email address, instead apply as described below.

Application Procedure:
Application forms are available from the DCU Current Vacancies (open Competitions) website at http://www.dcu.ie/vacancies/current.shtml and also from the Human Resources Department, Dublin City University, Dublin 9. Tel:+353 (0) 1 7005149.

Applications should be submitted by e-mail to hr.applications@dcu.ie or by post to the Human Resources Department, Dublin City University, DCU Glasnevin Campus, Dublin 9, D09W6Y4.

Dublin City University is an equal opportunities employer and is committed to promoting gender equality reflected in its attainment of the Athena SWAN Bronze Award.
