Applications are invited from suitably qualified candidates for the following position:

**Dublin City University**  
**DCU Business School**  
**Assistant Professor in Digital Business**  
**Five Year Fixed Term Contract**

**Org Overview**
Dublin City University (www.dcu.ie) is a dynamic and innovative institution that is distinguished by both the quality and impact of its graduates and by its focus on the translation of knowledge into societal and economic benefit. Excellence in education and research activities has led to DCU’s consistent ranking among the world’s leading young universities. DCU is Ireland’s fastest growing university, and now hosts more than 17,000 students across its three academic campuses: (DCU Glasnevin Campus, DCU St Patrick’s Campus and DCU All Hallows campus).

DCU Business School is a dynamic school whose history is marked by steep upward development. From the outset, our guiding voices were those of industry and students and, as a result, we are today distinctive for our deep and responsive industry engagement and our close concern with the success of our students. From those beginnings in the 1980s, and particularly over the last ten years, DCU Business School has developed an excellent research profile characterised by its industry relevance and a strong international reach. The School is accredited by AACSB, AMBA and has been awarded the Small Business Charter from the Chartered Association of Business Schools. Additionally, our programmes have relevant professional accreditations. DCU Business School is an engaged, innovative internationally-focused school which prides itself on its excellent reputation for impacting students, the academic community, industry and wider society.

**Role Profile**
The successful candidate will be a member of the Enterprise and Innovation Group in DCU Business School. S/he will conduct high quality research and teaching in Digital Business and will also participate in the School’s external engagement activities. Further, the successful candidate is expected to contribute to programme management, research supervision and the service activities of the School and University.

Further information concerning DCU Business School is provided in the Information Pack for Candidates which is available [here](#).

**Principal Duties and Responsibilities:**
Please refer to the job description for a full list of duties and responsibilities associated with this role.

**Qualifications and Experience**
Candidates must be, at a minimum, in the process of commencing a PhD or have evidence of relevant research or professional experience in Digital Business or a related discipline and have a
strong academic record. Previous teaching and research experience is required and a relevant professional qualification, where appropriate, is welcomed. Relevant industry and applied digital business experience is desirable.

We are seeking candidates who both have a well-defined research plan and have the capability to publish in high impact international journals but also have knowledge and experience in applying digital technologies including social media, cloud computing, data analytics, Blockchain, IoT and mobile technologies. Candidates should have (or be able to develop) international networks and collaborations. Candidates should also demonstrate excellent interpersonal and communication skills consistent with the highest quality of teaching and learning, along with evidence of successful teamwork and a collegial approach.

The successful candidate will have the opportunity to play an important role in the further development of the School’s national and international reputation, and to make a significant contribution to the research activity and industry engagement of the School and to the design, delivery and management of programmes at undergraduate, postgraduate and executive levels.
