

Careers Advisor
Careers Service, Student Support & Development
Senior Admin Assistant II
Permanent

DCU Careers Service is a dynamic and forward looking department consisting of a team of careers advisers and administrative staff who are passionate about career development and employability. Our vision is for students to be equipped with employability skills and career resilience to become successful global citizens. The Careers Service provides education, information, advice and guidance to current and recent graduates to enable them to develop their career management skills, to make informed choices and to fulfil their career potential within a global society.

The Careers Service is part of a wider range of services provided by Student Support & Development and works closely with other units, which include the INTRA work placement office, Counselling & Personal Development, the Student Health Centre, the Disability & Learning Support Office, the Access Office, the Chaplaincy and the Student Advice Centre. Further information on Student Support & Development can be found at: <http://www.dcu.ie/students/index.shtml>.

Duties of Post:

The Careers Service is currently seeking a self-motivated Careers Advisor to join a the team to deliver a range of professional services to students at all stages in their university experience, enabling effective career planning and progression.

Careers Coaching, Guidance and Advice

- Provide professional careers guidance (one-to-one and group) both in person and via email/online, to students including responsibility for a designated discipline specific caseload. In addition, provide professional careers guidance (one-to-one and group) to research students and MBAs.
- Keep up to date with emerging research and theory and practice in the field of career coaching and guidance.
- Respond to requests for information on career and professional development issues.

Careers & Employability Development

- Design, deliver, assess and evaluate programmes on professional development, career planning and employability. These seminars may be credit and non-credit bearing.
- Deliver innovative and interactive workshops, and small and large presentations, within designated caseload and centrally.
- Working with academic colleagues to deliver careers management, decision-making and labour market skills training within or alongside the curriculum.
- Develop and deliver information and training sessions on recruitment & selection (CVs, application forms, interview skills, assessment centres); occupational research, and effective job search strategies.
- Research and develop specific resources to promote web-based information on employment markets, employer expectations, graduate destinations and job opportunities.
- Organise and contribute to specific events and Fairs to promote career development and job opportunities (both on and off campus).
- Develop opportunities for students to meet and network with relevant employers.
- Develop and manage strong working relationships with academic colleagues in relevant Faculties / Schools to embed careers service activities within the curriculum.
- Meeting with employers and representatives from Professional Bodies and document key information for dissemination within the Careers Service, SS&D, and Faculties where applicable.
- Maintain a deep knowledge and understanding of a wide range of employers, recruitment procedures, labour market trends and assist in the dissemination of this information.
- Prepare and collate data for the annual Graduate Outcome Survey.
- Take particular responsibility to develop the capacity of the Careers Service strategic projects assigned by the Head of Service.
- Evaluate, analyse and report on qualitative and quantitative data to support the strategic direction of the Service.

General Duties

- Undertake general careers advisory duties
- Contribute to events and activities of Student, Support & Development
- Contribute to events and activities of AHECS (Association of Higher Education Careers Services)
