DCU Ability Project
Project Co-ordinator
School of Nursing and Human Sciences
Fixed Term Contract up to March 2021

Background and Role
We are seeking to recruit a Project Co-ordinator on a part-time (50%) fixed term contract basis to provide individual and group educational supports to participants on the DCU Ability project.

The DCU Ability project, in partnership with St Michael’s House Services, intends to promote the employability of young people with disabilities between the ages of 18 and 29 years. The main objectives of the project focuses on promoting employability and creating pathways into education, training and employability for young people with disabilities. It is intended to offer this initiative nationally so referrals can come from other organisations or services. It will be located across all DCU campuses. The types of actions that will be delivered will be those that can most support young people with disability to discover how they want to live their life, what their ambitions (in particular with regard to career) are and what is needed to make that possible. On a practical level small groups of participants will be supported over the course of the project with approximately three intakes.

The part-time Project Coordinator role will be based in the School of Nursing and Human Sciences (SNHS) and will report to the DCU Ability Programme Project Manager and will work closely with the DCU Ability team comprising of an Occupational Therapist and Careers Advisor.

One of the key activities of this role will be to collate the course material required for the programme from a number of sources and create new material to fit the needs of the cohort of participants. Once collated they will be an integral part in the delivery, assessment and monitoring of the programme with the DCU Ability team and partners.
