

Student Support & Development

Careers Adviser

(9 month contract)

DCU Careers Service is a dynamic and forward looking department consisting of a team of committed and enthusiastic careers advisers and administrative staff who are passionate about career development and employability. We provide an inclusive service to support, guide and empower our students to make informed career decisions and to maximise their personal and professional development.

The Careers Service is part of a wider range of services provided by Student Support & Development and works closely with other units, which include the INTRA work placement office, Counselling & Personal Development, the Sports Development Office, the Student Health Centre, the Disability & Learning Support Office, the Access Office, the Inter Faith Centre and the Student Advice Centre. Further information on Student Support & Development can be found at: <http://www.dcu.ie/students/index.shtml>.

The Careers Service is currently seeking an enthusiastic and flexible Careers Advisor with responsibility for;

- 1) Springboard Students – Springboard is a Government initiative providing places for part-time and intensive conversion courses in higher education from certificate, to degree, to post-graduate level. The students are from the following programmes: Postgraduate Diploma in Sustainability; Postgraduate Diploma in Information Systems Strategy; Postgraduate Diploma in the Management of Operations; and the Certificate in IT. Students from these Programmes study via Online Distance Education.
- 2) General student population with a particular focus on the Institute of Education / Faculty of Humanities & Social Sciences.

This post will be based on the Glasnevin and St. Patrick's Campuses.
