DIRECTOR OF SPORT

Dublin City University (www.dcu.ie) is a research-intensive, globally-engaged and dynamic institution. With an enrolment of almost 16,500 students, it is now Ireland’s fastest growing university and is ranked in the top 2% of universities globally, as well as holding a consistent position in the top 50 of the almost 10,000 young universities worldwide (QS Top 50 under 50). Through its mission to transform lives and societies, DCU prepares its students for success in life by providing a high-quality, rounded learning experience appropriate to the challenges and opportunities of the 21st century.

DCU has always been synonymous with sport. A core value of the University is its belief in the formative impact on students of sporting participation, whether as an individual or as part of a team. DCU also supports sporting excellence across a broad range of sports (with particular emphasis on Athletics and Gaelic Games, through their respective academies) and many of our students and alumni have achieved national and international prominence through their sporting exploits.

As part of our mission to provide an excellent student experience, DCU has developed a University-wide, integrated sports strategy that builds upon the tradition of sporting excellence and sporting participation. With an emphasis on “Sport for All”, this strategy aims to increase awareness of the importance of physical fitness and mental well-being for the whole university community, primarily our students and staff, but also including our alumni and neighbourhood communities. The strategy also reinforces our commitment to support students in the pursuit of elite sporting excellence at national and international levels.

In order to provide strategic and operational leadership in the implementation and further development of this strategy, DCU is seeking to appoint a dynamic and experienced professional to the position of Director of Sport. Reporting directly to the Deputy President, s/he will coordinate the integrated provision of sporting activity in a multi-campus setting. In addition, the Director will build DCU’s profile within the broader sporting community and advance sports performance and excellence through our Sports Clubs and Elite Athlete programmes.

The successful candidate will have excellent interpersonal skills and have demonstrated exceptional leadership in a sports environment. S/he will direct a highly motivated team, and expand relationships with sporting bodies and other external stakeholders. The Director will provide financial oversight for all aspects of the University’s sports provision and, working with the DCU Educational Trust, will develop an enhanced funding stream for sporting activity.

Remuneration
An attractive salary, commensurate with the successful applicant’s experience will be offered to the holder of this post.

Informal Enquiries
