Activation and Registration Flow
Step 1: You’ll receive an email prompting you to activate LinkedIn Learning

Click **Get Started Now**
Step 2: You can choose to connect with your LinkedIn Account (if you have one)

OR

Create a separate Learning account

Why should I connect with my LinkedIn Account?
Step 3a: If you choose to connect with your LinkedIn account

1. Simply sign in using the email associated with your LinkedIn account

2. Accept the privacy terms

Note: Only basic info such as your name, title and photo will be shared with DCU from your LinkedIn profile
Step 3b: If you choose to create a separate learning account

1. Enter your DCU email address (or whatever email address you wish to sign in with) and click **Send verification code**

2. Check that email address for the verification code, then enter it into the form and click **Verify Code**. Note that the verification code email will come from 'Microsoft on behalf of LinkedIn Learning'.

3. Create a password and click **Create**
Step 4: Input your data

1. After you have logged in, you are prompted to select a job title.

2. You're then asked to select skills that you're interested in learning.

If you have connected using your LinkedIn profile, these options will be pre-populated with suggestions.
**Step 5:** Begin learning :)  

**LinkedIn Learning is activated!**
