

## **JOB DESCRIPTION**

### **Associate Professor in General Nursing School of Nursing, Psychotherapy & Community Health Permanent Contract**

#### **Dublin City University**

Dublin City University (DCU) is a young, ambitious and vibrant university, with a mission 'to transform lives and societies through education, research, innovation and engagement'. Known as Ireland's 'University of Enterprise', DCU is a values-based institution, committed to the delivery of impact for the public good. DCU was named Sunday Times Irish University of the Year 2021.

DCU is based on three academic campuses in the Glasnevin-Drumcondra region of north Dublin. More than 18,000 students are enrolled across five faculties – Science and Health, DCU Business School, Computing and Engineering, Humanities and Social Sciences and DCU Institute of Education.

DCU is committed to excellence across all its activities. This is demonstrated by its world-class research initiatives, its cutting-edge approach to teaching and learning, its focus on delivering a transformative student experience, and its positive social and economic impact. The university continues to develop innovative programmes in collaboration with industry, such as the DCU Futures suite of degrees, which are designed to equip graduates with the skills and knowledge required in a rapidly evolving economy.

DCU's pursuit of excellence has led to its current ranking among the top 2% of universities globally. It is also one of the world's Top Young Universities (QS Top 100 Under 50, Times Higher Top 150 Under 100). In the Times Higher Education University Impact Rankings 2021, DCU ranked 23rd in the world for its approach to widening participation in higher education and its ongoing commitment to eradicating poverty, while it ranks 38th globally for its work in reducing inequality and 89th globally for gender equality.

The university is ranked 23rd in the world and first in Ireland for its graduate employment rate, according to the 2020 QS Graduate Employability Rankings. Over the past decade, DCU has been the leading Irish university in the area of technology transfer, as reflected by licensing of intellectual property.

#### **School of Nursing, Psychotherapy & Community Health**

The School of Nursing, Psychotherapy and Community Health at DCU is a leader in its field with expertise in the provision of programmes in Nursing, Psychotherapy and Community health. The programmes currently offered are:

- B.Sc. in Nursing across four disciplinary areas: General Nursing, Mental Health Nursing, Children's and General Nursing, and Intellectual Disabilities Nursing
- Post-registration Programme in Children's Nursing
- B.Sc. in Health and Society
- M.Sc. in Psychotherapy and Doctorate in Psychotherapy
- Certificate in Homelessness Prevention & Intervention
- Graduate Certificate in Sexuality Education and Sexual Wellbeing
- Stand-alone professional development modules for healthcare practitioners
- Certificate in Peer Support working in Mental Health

A number of new post-graduate programmes will run (subject to accreditation) in September 2022

- MSc in Specialist Nursing / Midwifery for Future Healthcare
- MSc in Health and Social Inclusion
- MSc in Child and Family Health and Wellbeing

### **Role Profile**

The School is seeking to recruit at the level of Associate Professor. Duties will include teaching, curriculum development, research, and administrative activities within the School. The appointees will also be expected to contribute directly to undergraduate and postgraduate programmes through research-led teaching, student mentoring and supervision of student projects.

### **Duties and Responsibilities**

The duties and responsibilities of the position include, but are not restricted to, the following:

#### ***Teaching***

The successful individual will teach on both undergraduate and postgraduate degree programmes in the School and will participate in student mentoring and tutoring. They will prepare, develop, deliver and assess a range of modules at both undergraduate and postgraduate levels. The total teaching hours are determined by the Head of School. In addition, they will supervise final-year Bachelors and/or Masters level research projects and undergraduate placements.

#### ***Research***

Appointees will be expected to establish an independently-funded collaborative research programme. This programme should align with the Research Strategy of the School, Faculty and DCUs' Strategic Plans and should foster collaboration(s) both within and beyond the School of Nursing, Psychotherapy and Community Health. Research should also be aligned with national and local nursing and healthcare priorities, and relevant national and EU priority areas.

#### ***Service and Contribution to University & Society***

Appointees will undertake administrative functions related to the activities of the School of Nursing, Psychotherapy and Community Health and Faculty of Science and Health. Such duties are defined by the Head of School and may include: programme coordination; participation in University committees; representation of the School in marketing to and recruitment of students; participation in open days; organisation of conferences and seminars, etc.

### **Qualifications and Experience**

- A primary/advanced degree in General Nursing and be eligible for registration with the Nursing and Midwifery Board of Ireland (NMBI)
- Qualified to post-graduate level and have completed a Ph.D. in their field
- A minimum of three years' relevant research experience
- A record of high quality university-level teaching
- Clinical skills
- Experience of research student supervision
- A record of original research backed up by publications in top international journals

### **Essential Training**

The postholder will be required to undertake the following essential compliance training: Orientation, Health & Safety and Data Protection (GDPR). Other training may need to be undertaken when required.
