

Applications are invited from suitably qualified candidates for the following position

**Assistant Professor in Chronic Disease Management
School of Nursing, Psychotherapy and Community Health
3 Year Fixed-Term Contract (Full Time)**

Dublin City University

Dublin City University (DCU) is a young, ambitious and vibrant university, with a mission 'to transform lives and societies through education, research, innovation and engagement'. Known as Ireland's 'University of Enterprise', DCU is a values-based institution, committed to the delivery of impact for the public good. DCU was named Sunday Times Irish University of the Year 2021.

DCU is based on three academic campuses in the Glasnevin-Drumcondra region of north Dublin. More than 18,000 students are enrolled across five faculties – Science and Health, DCU Business School, Computing and Engineering, Humanities and Social Sciences and DCU Institute of Education.

DCU is committed to excellence across all its activities. This is demonstrated by its world-class research initiatives, its cutting-edge approach to teaching and learning, its focus on delivering a transformative student experience, and its positive social and economic impact. The university continues to develop innovative programmes in collaboration with industry, such as the DCU Futures suite of degrees, which are designed to equip graduates with the skills and knowledge required in a rapidly evolving economy.

DCU's pursuit of excellence has led to its current ranking among the top 2% of universities globally. It is also one of the world's Top Young Universities (QS Top 100 Under 50, Times Higher Top 150 Under 100). In the Times Higher Education University Impact Rankings 2021, DCU ranked 23rd in the world for its approach to widening participation in higher education and its ongoing commitment to eradicating poverty, while it ranks 38th globally for its work in reducing inequality and 89th globally for gender equality.

The university is ranked 23rd in the world and first in Ireland for its graduate employment rate, according to the 2020 QS Graduate Employability Rankings. Over the past decade, DCU has been the leading Irish university in the area of technology transfer, as reflected by licensing of intellectual property.

School of Nursing, Psychotherapy & Community Health

The School of Nursing, Psychotherapy and Community Health at DCU is a leader in its field with expertise in the provision of programmes in Nursing, Psychotherapy and Community health. The programmes currently offered are:

- M.Sc. in Specialist Nursing for Future Healthcare (new September 2022)
- B.Sc. in Nursing across four disciplinary areas: General Nursing, Mental Health Nursing, Children's and General Nursing and Intellectual Disability Nursing
- Post-registration Programme in Children's Nursing
- M.Sc. in Advanced Nursing Practice (Saudi Arabia)

- Graduate Certificate in Sexuality Education and Sexual Wellbeing
- Stand-alone professional development modules for healthcare practitioners
- Certificate in Peer Support working in Mental Health

Role Profile

The School is seeking to recruit at the level of Assistant Professor. Appointees will be expected to lead in teaching, curriculum development, research, and administrative activities in the School. The appointees will also be expected to contribute directly to undergraduate and post graduate programmes through research-led teaching, student mentoring and support, and supervision of student projects. We anticipate the post-holder will be clinically based 0.25 FTE and based at DCU for the remaining 0.75 FTE.

Duties and Responsibilities

Please refer to the job description for a list of duties and responsibilities associated with this role.

Qualifications and Experience

Essential:

- A primary/advanced degree in general nursing and be eligible for registration with the Nursing and Midwifery Board of Ireland (NMBI)
- Qualified to post-graduate level (minimum MSc) in their field
- Experience of teaching in clinical and academic settings
- A high level of Clinical Skills in Chronic Diseases
- Track record of research undertaken in chronic disease with evidence of a comprehensive plan to undertake future research in this specialist area
- Candidates should be at CNS or ANP level in the area of Chronic Disease Management

Desirable:

- PHD in a cognate area

Essential Training

The postholder will be required to undertake the following essential compliance training: Orientation, Health & Safety and Data Protection (GDPR). Other training may need to be undertaken when required.

Salary Scale:

Assistant Professor (above bar) €55,252- €88,547, (below bar) €41,515 - €56,942*

**Appointment will be commensurate with qualifications and experience and in line with current Government pay policy*

Closing date: 8th June 2022
