

Applications are invited from suitably qualified candidates for the following position

**Financial and Administrative Officer for Research Projects
Science and Technology Enhancement Platform (STEP) Research Administration Unit
Professional 4 (P4)
Fixed Term Contract up to 12 Months**

Dublin City University

Dublin City University (DCU) is a young, ambitious and vibrant university, with a mission 'to transform lives and societies through education, research, innovation and engagement'. Known as Ireland's 'University of Enterprise', DCU is a values-based institution, committed to the delivery of impact for the public good. DCU was named Sunday Times Irish University of the Year 2021.

DCU is based on three academic campuses in the Glasnevin-Drumcondra region of north Dublin. More than 18,000 students are enrolled across five faculties – Science and Health, DCU Business School, Computing and Engineering, Humanities and Social Sciences and DCU Institute of Education.

DCU is committed to excellence across all its activities. This is demonstrated by its world-class research initiatives, its cutting-edge approach to teaching and learning, its focus on delivering a transformative student experience, and its positive social and economic impact. The university continues to develop innovative programmes in collaboration with industry, such as the DCU Futures suite of degrees, which are designed to equip graduates with the skills and knowledge required in a rapidly evolving economy.

DCU's pursuit of excellence has led to its current ranking among the top 2% of universities globally. It is also one of the world's Top Young Universities (QS Top 100 Under 50, Times Higher Top 150 Under 100). In the Times Higher Education University Impact Rankings 2021, DCU ranked 23rd in the world for its approach to widening participation in higher education and its ongoing commitment to eradicating poverty, while it ranks 38th globally for its work in reducing inequality and 89th globally for gender equality.

The university is ranked 23rd in the world and first in Ireland for its graduate employment rate, according to the 2020 QS Graduate Employability Rankings. Over the past decade, DCU has been the leading Irish university in the area of technology transfer, as reflected by licensing of intellectual property.

Research Administration Unit

The STEP Research Administration Unit is a new unit that aims to implement operational excellence in the way DCU runs the administrative management of externally funded research.

The service provided by the STEP Administration Unit is designed to alleviate the administrative burden of academic staff involved in externally funded research projects, and to ensure effective financial and administrative project management, in parallel with efficient and streamlined operational support. The unit also provides administrative support to RIS approved Research Centres.

Role Profile

The Science and Technology Enhancement Platform (STEP) at DCU is recruiting a Financial and Administrative Officer for a full time post in the Research Administration Unit. The officer will be accountable for providing a professional and comprehensive administrative, financial and project management service to specified research projects. The role will assist with a range of activities associated with large research awards, including but not exclusively, co-ordination of projects funded by the European Commission, Science Foundation Ireland and other national or international agencies. The appointed Administrative Officer will be managed by the STEP Research Administration Unit Manager and will work closely with the Principal Investigators leading the projects and also with Unit supported Research Centres. The workload will be distributed across the projects in line with their operational needs and the needs of the unit. The successful candidate will provide post award administration including financial, project management and Project co-ordination assistance across several projects as determined by the STEP Research Administration Manager. The post-holder will have a proven track record of managing and prioritising a varied research administration workload and must show flexibility and adaptability whilst discharging their duties

Duties and Responsibilities

Please see the job description for a full list of duties and responsibilities.

Qualifications and Experience

The ideal candidate must have:

- A primary degree or equivalent and ideally three years' relevant work experience.
- A project management qualification, and/or experience in post award EU funded project co-ordination is required.
- A proven track record in project management over a number of years, preferably in a higher education environment.
- Excellent communication and social skills with strong adherence to delivering outstanding service.
- The ability to work collaboratively with a variety of stakeholders at multiple levels is essential.

Essential Training

The postholder will be required to undertake the following essential compliance training: Orientation, Health & Safety and Data Protection (GDPR). Other training may need to be undertaken when required.

Salary Scale:

Professional 4 (P4) - € 37,530- € 55,890

Appointment will be commensurate with qualifications and experience and in line with current Government pay policy

Closing date: 28th April 2022
