Applications are invited from suitably qualified candidates for the following position

**Project Support Specialist**  
**Professional 4**  
**Student Information Systems Program,**  
**2 Year Fixed-Term Contract**

**Dublin City University**

Dublin City University (DCU) is a leading innovative European University. It is proud to be one of the world’s leading Young Universities and is among the world’s top 2% globally. DCU is known as Ireland’s University of Impact, with a mission to ‘transform lives and societies’ and focuses on addressing global challenges in collaboration with key national and international partners and stakeholders.

DCU has over 20,000 students in five faculties spread across three academic campuses in the Glasnevin-Drumcondra area of North Dublin. Thanks to its innovative approach to teaching and learning, the University offers a ‘transformative student experience’ that helps to develop highly sought-after graduates. DCU is currently No. 1 in Ireland for Graduate Employment Rate, and for graduate income (CSO).

DCU is a research-intensive University and is home to a number of SFI-funded Research Centres. The University participates in a range of European and international research partnerships. DCU is also the leading Irish university in the area of technology transfer as reflected by licensing of intellectual property.

As a ‘People First’ institution, DCU is committed to Equality, Diversity and Inclusion - a University that helps staff and students to thrive. The University is a leader in terms of its work to increase access to education, and is placed in the world’s Top 10 for reducing inequalities in the Times Higher Education Impact Rankings.

**Overview of the department**

In the context of its five-year strategic plan, Talent, Discovery and Transformation 2018-2023, DCU is currently in the process of implementing a cloud-based Student Information System (SIS) to assist our objectives as a globally engaged university. The SIS Programme has a key role to play in the achievement of the University strategic goals, leveraging the affordances of digital technology and systems integration to enhance the experience of both students and staff, and facilitate operational
excellence. The SIS programme has been mobilised in the Office of the Vice-President Academic Affairs to deliver this transformational change.

**Role Profile**

The PMO is now actively seeking to recruit a Project Support Specialist to take responsibility for key SIS Programme administration support. The Project Support Specialist will work closely with and report to a SIS Project Manager.

**Duties and Responsibilities**

Please refer to the job description for a list of duties and responsibilities associated with this role.

**Qualifications and Experience**

- A minimum of 3 years’ project administrative experience or equivalent, ideally, within the Higher Education sector;
- A strong customer service perspective and comprehension of Project Management techniques in a large and complex organisation encompassing diverse user communities;
- Possession of an agile or traditional project management qualification would be an advantage for this role;
- Proven track record in project administrative skills including financial management, planning, scheduling, reporting, resource management, communications, risk management, dependencies, scope, time, quality and budget;
- Ability to work well within a broader team and demonstrate flexibility and openness;
- Ability to work with a high degree of professional effectiveness including producing accurate reports, meeting deadlines, prioritising and delivering quality work;
- Good social, communication and organisational skills and an ability to work with a variety of different project stakeholders.

**Essential Training**

The postholder will be required to undertake the following essential compliance training: Orientation, Health & Safety and Data Protection (GDPR). Other training may need to be undertaken when required.

**Salary Scale:**

Professional 4: €39,156 - €58,143.00

Appointment will be commensurate with qualifications and experience and in line with current Government pay policy

**Closing date:** Wednesday 15th March 2023
**Additional Information:** Please note this role does not meet criteria for a Critical Skills permit as stipulated by the Department of Enterprise, Trade & Employment.
