## DCU Ability

'Works for Me' Campus Course  
Information for learners

# DCU Ability 'Works for me' course

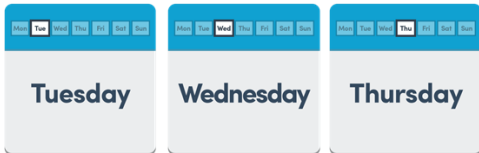

The 'Works for Me' course is all about work.

The course is on in DCU.  
Classes happen in the School of Nursing.

The course lasts for 14 weeks.

The course happens on  
Tuesdays, Wednesdays and  
Thursdays.

For the first 5 weeks of the  
course I would have classes.

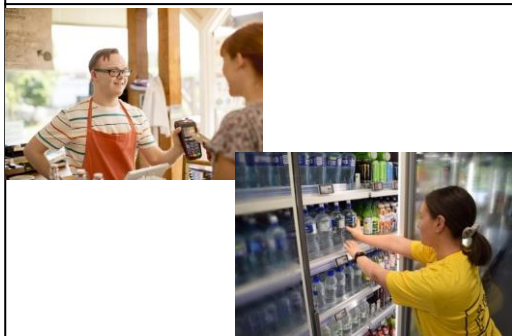

Classes start at 10 o'clock.

Classes finish at 1 o'clock.

## DCU Ability 'Works for me' course

I would do work experience in DCU for 6 weeks.

For the last 3 weeks of the course I would have more classes and meetings.

During the course I would meet other learners.

I would meet the DCU Ability team.

I could share my ideas about the course. I could ask questions about the course.

# DCU Ability 'Works for me' course

If I would like to do this course I can fill in an 'I want to do the course' form.

My support person can help me to fill in this form.

There might be a space on the course for me. DCU Ability will tell my support person.

The course might be full this time. DCU Ability will tell my support person.

We hope there will be more DCU Ability courses in the future.
