

Promulgation Guide for Students

June 2025

You have completed any coursework and exams, or both, and will receive an email from Registry when your results are available to view. You will use your existing DCU email address and password to access your results via the link provided by Registry. Results will be available online for 30 days after they are published.

Step by step guide

Step1

The email from Registry will include a link where you can view your results.
