

**Associate Professor in Nursing
School of Nursing, Psychotherapy and Community Health
Faculty of Science and Health
Permanent Contract**

Dublin City University

Dublin City University (DCU) is a leading innovative European University. It is proud to be one of the world's leading Young Universities and is among the world's top 2% globally. DCU is known as Ireland's University of Impact, with a mission to 'transform lives and societies' and focuses on addressing global challenges in collaboration with key national and international partners and stakeholders.

DCU has over 20,000 students in five faculties spread across three academic campuses in the Glasnevin-Drumcondra area of North Dublin. Thanks to its innovative approach to teaching and learning, the University offers a 'transformative student experience' that helps to develop highly sought-after graduates. DCU is currently No. 1 in Ireland for Graduate Employment Rate, and for graduate income (CSO).

DCU is a research-intensive University and is home to a number of SFI-funded Research Centres. The University participates in a range of European and international research partnerships. DCU is also the leading Irish university in the area of technology transfer as reflected by licensing of intellectual property.

As a 'People First' institution, DCU is committed to Equality, Diversity and Inclusion - a University that helps staff and students to thrive. The University is a leader in terms of its work to increase access to education, and is placed in the world's Top 10 for reducing inequalities in the Times Higher Education Impact Rankings.

School of Nursing, Psychotherapy & Community Health

The School of Nursing, Psychotherapy and Community Health leads in advancing population and patient health, inclusion and well-being through education, research, practice, and policy development. Our multi-disciplinary and multi-professional School has gained national and international recognition for its diverse range of innovative undergraduate, postgraduate, and professional development programmes across Nursing, Psychotherapy and Community Health. The programmes currently offered are:

- B.Sc. in Nursing across four disciplinary areas: Children's and General Integrated Nursing, General Nursing, Mental Health Nursing, and Intellectual Disability Nursing
- Higher Diploma (Post-Registration) in Children's Nursing
- B.Sc. in Health and Society
- M.Sc. in Child and Family Health and Wellbeing
- M.Sc. in Health and Social Inclusion
- M.Sc. in Specialist Nursing
- M.Sc. in Advanced Nursing Practice (Saudi Arabia)
- M.Sc. and Doctorate in Psychotherapy

- Professional Diploma in Clinical Supervision
- Certificate in Homelessness Prevention & Intervention
- Graduate Certificate in Sexuality Education and Sexual Wellbeing
- Stand-alone professional development modules for healthcare practitioners
- Certificate in Peer Support working in Mental Health

The School's portfolio of research inquiry delves into every aspect of 21st century health and well-being across nursing, community health, psychotherapy, and societal health innovations, to improve the health, inclusion, and well-being for everyone in society.

Role Profile

The School of Nursing, Psychotherapy and Community Health is seeking to recruit exceptionally qualified candidates at the level of Associate Professor in Nursing. The successful candidate will be recognised as a leader in their discipline, hold a reputation for academic excellence and have an extensive portfolio of internationally competitive research including high impact publications and funding successes. The appointee will be expected to provide leadership to the discipline of nursing through active engagement in teaching and learning, research and scholarship, and administration in the School, Faculty and University. The appointee will be expected to make outstanding contributions to undergraduate and postgraduate nursing programmes through research-led teaching, student mentoring and support, and supervision of student projects and research. The post holder will be expected to influence research and scholarship in nursing and contribute to advancing the schools research agenda, including building strong partnerships and collaborations with external health service providers. The post is based on the Glasnevin Campus and the candidate will report to the Head of School.

Duties and Responsibilities

See job description for list of duties and responsibilities.

Qualifications and Experience

- Applicants must hold a primary/advanced degree in nursing and be eligible for registration as a nurse within a relevant discipline with the Nursing and Midwifery Board of Ireland.
- Applicants will be qualified to a postgraduate level and must have completed a PhD/Doctorate in a relevant field.
- Applicants must hold a minimum of three years' relevant undergraduate and postgraduate teaching and learning experience at University level.
- Applicants will show substantial evidence of a well-established and sustained research profile that demonstrates independence as a Principal Investigator.
- Applicants will have a demonstrated successful track record of attracting external peer-reviewed competitively won national/international funding.
- Applicants will have a substantial and sustained track record of first/senior author peer-reviewed publications in high impact international journals in their research area.
- Applicants will demonstrate a sustained track record of research supervision and successful completion of PhDs (or equivalent doctoral degrees) and postdoctoral researchers.
- Applicants should also demonstrate excellent interpersonal and communication skills, along with evidence of successful teamwork and a collaborative and collegial approach.
- Applicants will show a demonstrable record of leadership capability and contribution to School, Faculty, University strategic objectives.

Essential Training

The postholder will be required to undertake the following essential compliance training: Orientation, Health & Safety and Data Protection (GDPR). Other training may need to be undertaken when required.

Salary Scale:

Associate Professor – €82,691 - €108,990

Appointment will be commensurate with qualifications and experience and in line with current Government pay policy

Closing date: Friday, 8th December
