Registry Senior Co-Ordinator - Professional 3
The Registry
Permanent Contract & Two Year Fixed Term Contract

Dublin City University

Dublin City University (DCU) is a young, ambitious and vibrant university, with a mission 'to transform lives and societies through education, research, innovation and engagement'. Known as Ireland's 'University of Enterprise', DCU is a values-based institution, committed to the delivery of impact for the public good. DCU was named Sunday Times Irish University of the Year 2021.

DCU is based on three academic campuses in the Glasnevin-Drumcondra region of north Dublin. More than 18,000 students are enrolled across five faculties – Science and Health, DCU Business School, Computing and Engineering, Humanities and Social Sciences and DCU Institute of Education.

DCU is committed to excellence across all its activities. This is demonstrated by its world-class research initiatives, its cutting-edge approach to teaching and learning, its focus on delivering a transformative student experience, and its positive social and economic impact. The university continues to develop innovative programmes in collaboration with industry, such as the DCU Futures suite of degrees, which are designed to equip graduates with the skills and knowledge required in a rapidly evolving economy.

DCU's pursuit of excellence has led to its current ranking among the top 2% of universities globally. It is also one of the world's Top Young Universities (QS Top 100 Under 50, Times Higher Top 150 Under 100). In the Times Higher Education University Impact Rankings 2021, DCU ranked 23rd in the world for its approach to widening participation in higher education and its ongoing commitment to eradicating poverty, while it ranks 38th globally for its work in reducing inequality and 89th globally for gender equality.

The university is ranked 23rd in the world and first in Ireland for its graduate employment rate, according to the 2020 QS Graduate Employability Rankings. Over the past decade, DCU has been the leading Irish university in the area of technology transfer, as reflected by licensing of intellectual property.

The Registry

Registry is a busy and dynamic office environment with responsibility for the management and delivery of academic administration services to the University community. The primary areas of responsibility include student admission and enrolment; curriculum and student records; and University examinations and awards. The University's room booking function also form part of Registry services. Registry operates two Information Services Areas for students; one at the Glasnevin campus and one at the St Patrick's campus. Registry is currently structured into two main operational teams, Student Enrolment and Student Awards, and is headed by the Director of Registry. Full details on the organization structure of the Registry, including its responsibilities can be found at <http://www.dcu.ie/registry/index.shtml>

Student Information System

As part of the DCU Strategy, the University has committed to a number of projects that will transform student and staff interactions and university operations. This is a multi-year programme that will enable new and improved ways of working that will enhance the staff and student experience. The Student Information System (SIS) is at the centre of the university's administrative operations and it facilitates the management of key processes and data. The first step and one of the most critical enablers of achieving DCU ambitions is the implementation of a flexible and robust SIS. This programme of work has now commenced. Implementation of the SIS will transform the way Registry supports academic administration and delivers its services.
