

Applications are invited from suitably qualified candidates for the following position

ICE Project Lead
DCU ICE (Innovation, Creativity and Enterprise)
Professional 5
2 Year Fixed Term Contract

Dublin City University

Dublin City University (DCU) is a young, ambitious and vibrant university, with a mission ‘to transform lives and societies through education, research, innovation and engagement’. Known as Ireland’s ‘University of Enterprise’, DCU is a values-based institution, committed to the delivery of impact for the public good. DCU was named Sunday Times Irish University of the Year 2021.

DCU is based on three academic campuses in the Glasnevin-Drumcondra region of north Dublin. More than 18,000 students are enrolled across five faculties – Science and Health, DCU Business School, Computing and Engineering, Humanities and Social Sciences and DCU Institute of Education.

DCU is committed to excellence across all its activities. This is demonstrated by its world-class research initiatives, its cutting-edge approach to teaching and learning, its focus on delivering a transformative student experience, and its positive social and economic impact. The university continues to develop innovative programmes in collaboration with industry, such as the DCU Futures suite of degrees, which are designed to equip graduates with the skills and knowledge required in a rapidly evolving economy.

DCU’s pursuit of excellence has led to its current ranking among the top 2% of universities globally. It is also one of the world’s Top Young Universities (QS Top 100 Under 50, Times Higher Top 150 Under 100). In the Times Higher Education University Impact Rankings 2021, DCU ranked 23rd in the world for its approach to widening participation in higher education and its ongoing commitment to eradicating poverty, while it ranks 38th globally for its work in reducing inequality and 89th globally for gender equality.

The university is ranked 23rd in the world and first in Ireland for its graduate employment rate, according to the 2020 QS Graduate Employability Rankings. Over the past decade, DCU has been the leading Irish university in the area of technology transfer, as reflected by licensing of intellectual property.

Overview of the department

DCU ICE is a strategic initiative designed to bring together, highlight, publicise and develop, DCU’s extensive activity across the areas of innovation, creativity and enterprise. The existing activity in these areas will continue and develop across the university, led by academics and students, while ICE

will provide a mechanism to make this activity visible and highlight areas of potential collaboration, synergy and opportunity.

Role Profile

The ICE Project Lead will play a central role in supporting the practitioners to realise the potential of the ICE initiative. The development of an ICE web site, a database of ICE activity, and coordinating the relationships with companies, partners and internal stakeholders are key aspects of this role. The Project Lead will provide support to the ICE Working Group and its Chair, by managing relevant events etc.

Duties and Responsibilities

Please refer to the job description for a list of duties and responsibilities associated with this role.

Qualifications and Experience

Essential

- A primary degree is essential for this role
