FACULTY OF ENGINEERING AND COMPUTING

Programme Regulations 2022-2023

Programme Title	**BEng Mechatronic Engineering**
Programme Code	**ME**
Offered on a full-time or part-time basis	**Full Time (01)**

Note: *Programme Regulations should be read in conjunction with Marks and Standards which can be found at https://www.dcu.ie/ovpaa/Policies-and-Regulations.shtml*

1.   Programme Specific Rules and Requirements

1.1   Calculation for the Award Classification

The calculation of the fourth year award classification includes contributions from previous years' results as follows:

Year contribution	*Contribution to the award classification*
Year 2	*10%*
Year 3	*15%*
Transfer student into Year 3 with no year 2 contribution	*15%*

2.   Derogations from Marks and Standards

Marks and Standards apply.

3.   Progression

3.1   Credits for progression

Students must have successfully completed a minimum of 60 credits in a study period in order to progress to the next study period, accepting circumstances as outlined in point 3.2.

3.2   Carrying of modules

Students will not be permitted to "carry" modules except in exceptional circumstances and subject to the approval of the Progression and Award Board and mode of delivery permitting.

3.3   Exit Awards

In the case that students have exhausted all attempts at ME4, or where otherwise authorised by the ME Program Board, the student may be offered with a BSc in Mechatronic Technology (MT4) as an early-exit award providing they meet the requirements (15-credits from 4th year modules). The grade for the exit award would be based on a precision mark calculated from the credit-weighted average of the marks achieved in the non-INTRA modules from the third year of the target programme, along with the highest scoring 15 credits successfully completed from the fourth year.

4.   Compensation

Compensation may apply, within the regulations specified in Marks and Standards.

5.   Resit Categories

The resit categories of modules on this programme and an explanation of those categories can be found at:
