In order to be considered for this scholarship, parents or legal guardians must provide the information requested. Normal registration procedures outlined in the EUE Application Form must also be followed. The student awarded the scholarship will be refunded the tuition deposit paid at registration. For this reason, if applying for a scholarship it is preferable to pay the registration fee of €200 by credit/debit card as it is easier to refund if you are successful. To apply for this scholarship, the student's first course choice (as given on their application form) will be considered.

All scholarship applicants will be notified by post of the outcome of their applications.

Interested students or parents must **write an accompanying letter** stating the full reasons (i.e. academic achievements and/or personal circumstances) why the applicant is deserving of the CTY Ireland scholarship.
