

## FACULTY OF SCIENCE AND HEALTH

### Programme Regulations 2022-2023

**Programme Title** Chemical Sciences General Entry

**Programme Code** CGE

**Offered on a full-time or part-time basis** Full-time

**Note:** *Programme Regulations should be read in conjunction with Marks and Standards which can be found at <https://www.dcu.ie/ovpaa/Policies-and-Regulations.shtml>*

#### 1. Programme Specific Rules and Requirements

##### 1.1 *Monitored Attendance*

Attendance is monitored on the following modules:

<i>Module Code</i>	<i>Module Title</i>
BE151	Practical Biology
CS151	Chemistry Laboratory
CS150	Interdisciplinary Science

##### 1.3 *Module Calculation*

There are modules on this programme where the module mark will be calculated as the greater of (a) the weighted average of the continuous assessment percentage mark and the terminal examination percentage mark or (b) the terminal examination mark.

The modules are as follows:

<i>Module</i>	<i>Title</i>
CS102	Introductory Chemistry 2
BE102	How life works 2

#### 2. Derogations from Marks and Standards

Marks and Standards apply.

### 3. Progression

#### 3.1 Credits for Progression

Students must have successfully completed a minimum of 60 credits in a study period in order to progress to the next study period of the relevant pathway, BSc in Analytical Science, BSc in Chemical and Pharmaceutical Science, BSc in Chemistry with Artificial Intelligence.

This stipulation does not apply to deferred, repeat or legacy students.

3.2 While progression into Year 2 of BSc in Analytical Science, BSc in Chemical and Pharmaceutical Sciences or BSc in Chemistry with Artificial Intelligence is available to all CGE students, Year 2 programme places will be assigned to CGE students, based on their Year 1 grades (merit order). When places for Year 2 programmes are limited, CGE1 students will be offered one of their Year 2 programme choices.

#### 3.3 Carrying of Modules

Students will not be permitted to 'carry' modules under any circumstances.

### 4. Compensation

Compensation may apply, within the regulations specified in Marks and Standards, to all modules except the following:

<i>Module Code</i>	<i>Module Title</i>
BE151	Practical Biology
CS151	Chemistry Laboratory
CS150	Interdisciplinary Science

### 5. Resit Categories

The resit categories of modules on this programme and an explanation of those categories can be found at:

[www101.dcu.ie/registry/module\\_contents.php?function=4&programme=CGE&yr=2023](http://www101.dcu.ie/registry/module_contents.php?function=4&programme=CGE&yr=2023)

### 6. Repeat Arrangements
