Programme Title Graduate Certificate in Energy Systems and Decarbonisation

Programme Code GCESD1

Offered on a full-time or part-time basis Full Time

Note: *Programme Regulations should be read in conjunction with Marks and Standards which can be found at* **https://www.dcu.ie/ovpaa/Policies-and-Regulations.shtml**

1. Programme Specific Rules and Requirements

1.1 *Calculation for the Award Classification - Precision mark for the year. The calculation of the final year award classification does not include contributions from previous years' results.*

1.2 *Modules and credit weightings - equal*

1.3 *Monitored Attendance – Not applicable*

1.4 *Module Calculation - Not applicable*

2. Derogations from Marks and Standards
Marks and Standards apply.

3. Progression

3.1 *Credits for progression*
Students must have successfully completed a minimum of 30 credits in a study period in order to graduate.

3.2 *Carrying of modules*
Students will not be permitted to 'carry' modules under any circumstances.

3.3 *Exit Awards*
There is only one exit award, i.e. the Graduate Certificate on completion of 30 credits.

4.   **Compensation**
      Marks and Standards apply.

5.   **Resit Categories**

      The resits offered for the August examinations diet vary depending on the module to be
      re-taken.

      Resit category 1: A resit is available for all components of the module.

      Resit category 2: No resit is available where the module is 100% assessed by
      continuous assessment.

      Resit category 3: No resit is available for the continuous assessment component and
      the examination must be re-taken.
