Programme Title:	MA in Theology & World Religions
Programme Code	MATHWR
Offered on a full-time or part-time basis	Part-time

Note: *Programme Regulations should be read in conjunction with Marks and Standards which can be found at <https://www.dcu.ie/ovpaa/Policies-and-Regulations.shtml>*

1. Programme Specific Rules and Requirements

~~Marks and Standards apply.~~

Language modules are offered for credit at 10 ECTS. While not required, students may register for a language module. However, a maximum of one language module may be taken for credit for the duration of the programme.

2. Derogations from Marks and Standards

Marks and Standards apply.

3. Progression

3.1 Credits for progression

Students must have normally successfully completed a minimum of 30 credits in a study period in order to progress to the next study period.

3.2 Carrying of modules

Students will not be permitted to 'carry' failed or deferred modules into the next study period except in exceptional circumstances¹ and subject to the approval of the Programme Board Examination Review Committee or the Progression and Award Board and mode of delivery permitting. If the module to be carried is not available in the next academic session, the Programme Board Examination Review Committee or

¹ Where extenuating circumstances are to be taken into account, these must have been submitted by the student in line with normal procedure.

the Progression and Award Board may recommend an alternative module to be taken by the student(s).

3.3 *Exit Awards*

Upon successful completion of 60 credits of taught modules, students may exit with a Graduate Diploma in Theology and World Religions, as indicated in the academic structure.

Upon successful completion of 30 credits of taught modules, students may exit with a Graduate Certificate in Theology and World Religions, as indicated in the academic structure.

No more than 10 credits corresponding to a language module may apply to an exit award of any type.

Where a student requests to exit a programme with a lesser award, the following precision rules apply. Core modules, must be included in the calculation of the precision mark. When a student has completed more ECTS credits than needed for the award, any remaining credits required for the calculation of the precision mark will be selected from the remaining modules taken, using the best marks obtained. All marks used in the calculation of the precision mark will be the marks obtained at first attempt.

4. **Compensation**

Marks and Standards apply.

5. **Resit Categories**

The resit categories of modules on this programme and an explanation of those categories can be found at:
