Dublin City University

Dublin City University (DCU) is a leading innovative European University. It is proud to be one of the world's leading Young Universities and is among the world's top 2% globally. DCU is known as Ireland's University of Impact, with a mission to 'transform lives and societies' and focuses on addressing global challenges in collaboration with key national and international partners and stakeholders.

DCU has over 20,000 students in five faculties spread across three academic campuses in the Glasnevin-Drumcondra area of North Dublin. Thanks to its innovative approach to teaching and learning, the University offers a 'transformative student experience' that helps to develop highly sought-after graduates. DCU is currently No. 1 in Ireland for Graduate Employment Rate, and for graduate income (CSO).

DCU is a research-intensive University and is home to a number of SFI-funded Research Centres. The University participates in a range of European and international research partnerships. DCU is also the leading Irish university in the area of technology transfer as reflected by licensing of intellectual property.

As a 'People First' institution, DCU is committed to Equality, Diversity and Inclusion - a University that helps staff and students to thrive. The University is a leader in terms of its work to increase access to education and is placed in the world's Top 10 for reducing inequalities in the Times Higher Education Impact Rankings.

The Registry

The Registry is a busy and dynamic office environment with responsibility for the management and delivery of academic administration services to the University community. The primary areas of responsibility include student admission and enrolment; student fee administration; curriculum and student records; and University examinations and awards. The University's room booking function also form part of Registry services. Registry operates two Information Services Areas for students: one at the Glasnevin campus and one at the St Patrick's campus. Registry is currently structured into two main operational teams, Student Enrolment and Student Awards, and is headed by the Director of Registry.

Full details on the organisation structure of the Registry, including its responsibilities can be found at <http://www.dcu.ie/registry/index.shtml>

Student Information System Programme

As part of the DCU Strategy, the University has committed to a number of projects that will transform student and staff interactions and university operations. This multi-year programme will enable new and improved ways of working that will enhance the staff and student experience. The Student Information System (SIS) is at the centre of the university's administrative operations and it facilitates the management of key processes and data. The first step and one of the most critical enablers of achieving DCU ambitions is the implementation of a flexible and robust SIS. This programme of work has now commenced. Implementation of the SIS will transform the way Registry supports academic administration and delivers its services.

The Role

Registry is now recruiting for a number of roles for Registry Senior Co-ordinator Professional 3 posts. These roles are permanent and one fixed term contract (18 months) is to be recruited. The post holder will be primarily located on the Glasnevin campus but may be required to move between any of the DCU campuses. The overall purpose of the role is to provide professional and comprehensive administrative services while assisting with the co-ordination and delivery of core Registry activities. The information below provides an indication of the type of duties that may be associated with any of the posts. The post holder may be responsible for some or multiple elements of the student lifecycle. Indicative duties may change over time.

Principal Duties and Responsibilities

The duties and responsibilities of the position include, but are not restricted to, the following:
