**Dublin City University**

Dublin City University (DCU) is a leading innovative European University. It is proud to be one of the world's leading Young Universities and is among the world's top 2% globally. DCU is known as Ireland's University of Impact, with a mission to 'transform lives and societies' and focuses on addressing global challenges in collaboration with key national and international partners and stakeholders.

DCU has over 20,000 students in five faculties spread across three academic campuses in the Glasnevin-Drumcondra area of North Dublin. Thanks to its innovative approach to teaching and learning, the University offers a 'transformative student experience' that helps to develop highly sought-after graduates. DCU is currently No. 1 in Ireland for Graduate Employment Rate, and for graduate income (CSO).

DCU is a research-intensive University and is home to a number of SFI-funded Research Centres. The University participates in a range of European and international research partnerships. DCU is also the leading Irish university in the area of technology transfer as reflected by licensing of intellectual property.

As a 'People First' institution, DCU is committed to Equality, Diversity and Inclusion - a University that helps staff and students to thrive. The University is a leader in terms of its work to increase access to education and is placed in the world's Top 10 for reducing inequalities in the Times Higher Education Impact Rankings.

**The Registry**

The Registry is a busy and dynamic office environment with responsibility for the management and delivery of academic administration services to the University community. The primary areas of responsibility include student admission and enrolment; student fee administration; curriculum and student records; and University examinations and awards. The University's room booking function also form part of Registry services. Registry operates two Information Services Areas for students: one at the Glasnevin campus and one at the St Patrick's campus. Registry is currently structured into two main operational teams, Student Enrolment and Student Awards, and is headed by the Director of Registry.

Full details on the organisation structure of the Registry, including its responsibilities can be found at <http://www.dcu.ie/registry/index.shtml>

## **Student Information System Programme**

As part of the DCU Strategy, the University has committed to a number of projects that will transform student and staff interactions and university operations. This multi-year programme will enable new and improved ways of working that will enhance the staff and student experience. The Student Information System (SIS) is at the centre of the university's administrative operations and it facilitates the management of key processes and data. The first step and one of the most critical enablers of achieving DCU ambitions is the implementation of a flexible and robust SIS. This programme of work has now commenced. Implementation of the SIS will transform the way Registry supports academic administration and delivers its services.

## **The Role**

Registry is looking to recruit a Senior Administrative Officer (Professional 5). The person will be primarily located on the Glasnevin campus but may be required to work on any DCU campus. The post of Senior Administrative Officer aims to provide professional and comprehensive administrative services in a range of areas and activities. The post holder will contribute to the primary areas of activity of the Registry, including admissions, international assessments, registration, publications and Registry information services. The duties of the individual may change over time in line with ongoing developments within Registry, the University and nationally.

## **Principal Duties and Responsibilities**

- Supporting Registry management in providing leadership to teams across various projects in Registry.
- Project manage significant Registry student lifecycle projects e.g. postgraduate admissions and admissions to foundation programmes to include assessment of international qualifications and institutions, offer decisions and communicating decisions to applicants.
- Responsibility for the completion of an assessment of fee status for relevant undergraduate and postgraduate students and the assessment of residency for fee purposes.
- Supervise and engage with the timely processing of applications through the lifecycle from application to registration. Oversight of the offer process to eligible applicants and the transition of applications through the various stages of the process to ensure a positive student experience.
- Overall responsibility for the production and distribution of regular reports on offers made to international applicants to relevant Government Bodies and Agencies.
- Line management of designated staff and ensuring effective allocation of workload across the team and across campuses. Approval and co-ordination of leave arrangements for designated staff.
- Liaise closely with faculties to agree assessment criteria for all postgraduate programmes.
- Manage and respond to queries from applicants and other stakeholders during the application process.
- Ensure effective engagement and communication with the International Student Recruitment team.
- Plan and ensure all relevant programme information is set-up and accurate on the student application system and the DCU website e.g. agreed entry requirements, opening and closing dates for applications.

- Provide training for team members on various Registry systems and processes and draft training guides and standard operating procedures for team members.
- Develop standard processes for all existing and new postgraduate application entry routes. Project manage the implementation of any new processes with relevant stakeholders.
- Engage in Registry and University quality enhancement initiatives. Review current processes to identify the optimum centralised processes, ensuring maximum efficiency. Explore the capabilities of existing technologies with relevant DCU colleagues to ensure all potential capabilities are in use. Lead on the implementation of agreed quality enhancement initiatives.
- Regular and close liaison with the Student Recruitment team about the recruitment strategy for both national and international postgraduate students.
- Manipulation, extraction and analysis of data from Registry systems.
- Contribute to the development of the new Student Information System (SIS) and other systems to meet future needs of stakeholders.
- Maintain effective liaison with Faculties, Finance, Academic Systems, Information Systems and Services and Student Support and Development. Ensure opportunities are provided to stakeholders to meet or give feedback on key student life cycle projects.
- Regular reporting to Registry line managers in relation to progress and any risk to operations
- Represent the Registry on Working Groups/ Committees (internal and external), at Open Days, Open evenings and guidance counsellor events.
- Provide management assistance and deputising when required for members of the Registry management team.

Duties and responsibilities can change over time and other duties may be assigned by the Director of Registry or his/her nominee.
