

Applications are invited from suitably qualified candidates for the following position

**Senior Administrative Officer
Professional 5
Faculty of Engineering and Computing
Three Year Fixed Term Contract**

Dublin City University

Dublin City University (DCU) is a leading innovative European University. It is proud to be one of the world's leading Young Universities and is among the world's top 2% globally. DCU is known as Ireland's University of Impact, with a mission to 'transform lives and societies' and focuses on addressing global challenges in collaboration with key national and international partners and stakeholders.

DCU has over 20,000 students in five faculties spread across three academic campuses in the Glasnevin-Drumcondra area of North Dublin. Thanks to its innovative approach to teaching and learning, the University offers a 'transformative student experience' that helps to develop highly sought-after graduates. DCU is currently No. 1 in Ireland for Graduate Employment Rate, and for graduate income (CSO).

DCU is a research-intensive University and is home to a number of SFI-funded Research Centres. The University participates in a range of European and international research partnerships. DCU is also the leading Irish university in the area of technology transfer as reflected by licensing of intellectual property.

As a 'People First' institution, DCU is committed to Equality, Diversity and Inclusion - a University that helps staff and students to thrive. The University is a leader in terms of its work to increase access to education, and is placed in the world's Top 10 for reducing inequalities in the Times Higher Education Impact Rankings.

Faculty of Engineering & Computing

The Faculty is home to three Schools and hosts or participates in a number of large scale research centres. We offer degree programmes at Bachelors, Masters and PhD levels, while online Level 9 courses are now enabling those in employment to upskill in sought after areas such as Artificial Intelligence and the Internet of Things. Our graduates continue to be highly sought after by industry, and their continued employability is assured through the Faculty's ever deepening links with industry partners and an evolving curriculum that allows real-world work experience, industry-led team

challenges and global engagement in line with DCU's internationalisation strategy. The Faculty is administered through the Professional Support Unit for which the Faculty Manager has overall management responsibility.

Role Profile

The post holder will undertake a role within the Faculty in the context of provision of administrative support, and depending on ongoing needs will mostly be deployed in supporting operational excellence at school level. The successful candidate will be responsible for the management of the school's operational activities in line with the Faculty's internationalisation, research, and teaching and learning strategies. The appointee will work in collaboration with the Faculty Manager to support the Heads of School in achieving operational excellence. The Senior Administrative Officer (SAO) reports to the Faculty Manager or nominee, where the nominee may be a Head of School.

Duties and Responsibilities

Please refer to the job description for a list of duties and responsibilities associated with this role.

Minimum Internal Service Criteria

Please note that [internal service criteria](#) will apply

Experience skills and Qualifications

The successful candidate must hold a primary degree or be a professional 4 grade without a Primary Degree or equivalent, with 3 years experience at Professional 4 level in DCU. Candidates must have a proven track record of success in administration management, have excellent interpersonal, communication and organisational skills, and have the ability and confidence to make decisions on a wide range of administration-related matters. They should be an experienced line manager, capable of motivating team members and have demonstrated experience of stakeholder management and working effectively with different stakeholders to achieve positive outcomes.

In addition, the successful candidate must have:

- strong quantitative reasoning skills.
- competence in the use of complex IT systems.
- a capacity for proactive thinking and planning.
- excellent writing skills.
- excellent interpersonal and communication skills – both written and verbal.
- a positive work ethic and outlook with demonstrable commitment to high quality in their work.
- strong problem-solving abilities.
- experience of coordinating and managing projects.
- the ability to work independently as well as part of a team.

Essential Training

The postholder will be required to undertake the following essential compliance training: Orientation, Health & Safety and Data Protection (GDPR). Other training may need to be undertaken when required.

Salary Scale:

Professional 5 - €53,242.00- €64,147.00

Appointment will be commensurate with qualifications and experience and in line with current Government pay policy

Closing date: Monday 27th March 2023
