School of Nursing, Psychotherapy and Community Health
Faculty of Science and Health
Permanent Contract**

Dublin City University

Dublin City University (DCU) is a leading innovative European University. It is proud to be one of the world's leading Young Universities and is among the world's top 2% globally. DCU is known as Ireland's University of Impact, with a mission to 'transform lives and societies' and focuses on addressing global challenges in collaboration with key national and international partners and stakeholders.

DCU has over 20,000 students in five faculties spread across three academic campuses in the Glasnevin-Drumcondra area of North Dublin. Thanks to its innovative approach to teaching and learning, the University offers a 'transformative student experience' that helps to develop highly sought-after graduates. DCU is currently No. 1 in Ireland for Graduate Employment Rate, and for graduate income (CSO).

DCU is a research-intensive University and is home to a number of SFI-funded Research Centres. The University participates in a range of European and international research partnerships. DCU is also the leading Irish university in the area of technology transfer as reflected by licensing of intellectual property.

As a 'People First' institution, DCU is committed to Equality, Diversity and Inclusion - a University that helps staff and students to thrive. The University is a leader in terms of its work to increase access to education, and is placed in the world's Top 10 for reducing inequalities in the Times Higher Education Impact Rankings.

School of Nursing, Psychotherapy & Community Health

The School of Nursing, Psychotherapy and Community Health leads in advancing population and patient health, inclusion and well-being through education, research, practice, and policy development. Our multi-disciplinary and multi-professional School has gained national and international recognition for its diverse range of innovative undergraduate, postgraduate, and professional development programmes across Nursing, Psychotherapy and Community Health. The programmes currently offered are:

- B.Sc. in Nursing across four disciplinary areas: Children's and General Integrated Nursing, General Nursing, Mental Health Nursing, and Intellectual Disability Nursing
- Higher Diploma (Post-Registration) in Children's Nursing
- B.Sc. in Health and Society
- M.Sc. in Child and Family Health and Wellbeing
- M.Sc. in Health and Social Inclusion
- M.Sc. in Specialist Nursing
- M.Sc. in Advanced Nursing Practice (Saudi Arabia)

- M.Sc. and Doctorate in Psychotherapy
- Professional Diploma in Clinical Supervision
- Certificate in Homelessness Prevention & Intervention
- Graduate Certificate in Sexuality Education and Sexual Wellbeing
- Stand-alone professional development modules for healthcare practitioners
- Certificate in Peer Support working in Mental Health

The School's portfolio of research inquiry delves into every aspect of 21st century health and well-being across nursing, community health, psychotherapy, and societal health innovations, to improve the health, inclusion, and well-being for everyone in society.

Role Profile

The School is seeking to recruit at the level of Assistant Professor in Community Health. The appointee will be expected to contribute to teaching, curriculum development, research, and administrative activities in the School, across all levels. The appointee will be expected to contribute directly to undergraduate and postgraduate programmes and modules related to community health through research-led teaching, student mentoring and support, and supervision of student projects and research. The post holder will lead research and scholarship in the field of community health and contribute to advancing the Schools research agenda. The post is based on the Glasnevin Campus and the individual will report to the Head of School.

Duties and Responsibilities

See job description for list of duties and responsibilities.

Qualifications and Experience

Essential Criteria

- Applicants must hold a primary/advanced degree in a field relevant to community health.
- Applicants will be qualified to a post-graduate level and must have completed a PhD/Doctorate in a field relevant to community health.
- Previous teaching experience at undergraduate and postgraduate level is required.

Desirable Criteria

- Applicants will have a record of original research backed-up by publications in top-quartile international journals or, based on career stage, show exceptional promise in this regard.
- Applicants should demonstrate potential to establish an independent research programme and attract research funding from competitive research funding schemes.
- Applicants should also demonstrate excellent interpersonal and communication skills, along with evidence of successful teamwork and a collaborative and collegial approach.
- Applications are particularly welcomed from individuals with expertise in the following areas: digital health, nutrition/healthy behaviours and/or social inclusion.

Essential Training

The postholder will be required to undertake the following essential compliance training: Orientation, Health & Safety and Data Protection (GDPR) and all Cyber Security Awareness Training. Other training may need to be undertaken when required.

Salary Scale:

Assistant Professor Above Bar salary scale - €59,508 - €95,366

Appointment will be commensurate with qualifications and experience and in line with current Government pay policy

Closing date: Wednesday, 29th November 2023

Interviews: Will likely be held on Monday 15th January 2024
