Applications are invited from suitably qualified candidates for the following position

**Training Specialist**  
Student Information Systems (SIS) Programme,  
Office of Vice-President Academic Affairs (Registrar)  
2 Year Fixed Term Contract  
Professional 4

**Dublin City University**

Dublin City University (DCU) is a leading innovative European University. It is proud to be one of the world’s leading Young Universities and is among the world’s top 2% globally. DCU is known as Ireland’s University of Impact, with a mission to ‘transform lives and societies’ and focuses on addressing global challenges in collaboration with key national and international partners and stakeholders.

DCU has over 20,000 students in five faculties spread across three academic campuses in the Glasnevin-Drumcondra area of North Dublin. Thanks to its innovative approach to teaching and learning, the University offers a ‘transformative student experience’ that helps to develop highly sought-after graduates. DCU is currently No. 1 in Ireland for Graduate Employment Rate, and for graduate income (CSO).

DCU is a research-intensive University and is home to a number of SFI-funded Research Centres. The University participates in a range of European and international research partnerships. DCU is also the leading Irish university in the area of technology transfer as reflected by licensing of intellectual property.

As a ‘People First’ institution, DCU is committed to Equality, Diversity and Inclusion - a University that helps staff and students to thrive. The University is a leader in terms of its work to increase access to education, and is placed in the world’s Top 10 for reducing inequalities in the Times Higher Education Impact Rankings.

**Overview of the department**

In the context of its five-year strategic plan, Talent, Discovery and Transformation 2018-2023, DCU is currently in the process of implementing a cloud-based Student Information System (SIS) to assist our objectives as a globally engaged university. The SIS Programme has a key role to play in the achievement of the University strategic goals, leveraging the affordances of digital technology and systems integration to enhance the experience of both students and staff, and facilitate operational
excellence. The SIS programme has been mobilised in the Office of the Vice-President Academic Affairs to deliver this transformational change.

Role Profile

A Project Management Office (PMO) has been established to co-ordinate and lead delivery, financial, resource, and risk management, working closely with the SIS Program Delivery Streams and the solution provider(s). The SIS programme team now seeks to recruit a Training Specialist to design and deliver training activities as part of the SIS Programme. This role will report to the SIS Training Lead.

Duties and Responsibilities
Please refer to the job description for a list of duties and responsibilities associated with this role.

Qualifications and Experience

Essential
- Primary degree or equivalent (NFQ level 7) with a relevant professional qualification (or equivalent evidence of experience)
- A minimum of 1 year relevant experience including: training, learning & development or systems implementation

Advantageous
- Experience of assisting a digital transformation project would be an advantage.

In addition, the successful individual will ideally have:
  - Excellent communication skills including the ability to present to a large audience both online and in person.
  - Experience in designing training content, ideally to support systems implementation and/or digital transformation.
  - Experience in reviewing documentation such as business requirements, specifications and technical design documents in order to develop training content.
  - Ability to operate in a busy project environment.
  - Ability to build great relationships and work collaboratively across a number of different teams, projects and locations.
  - Excellent planning and organisational skills with the ability to manage schedules, deliver to deadlines and prioritise workload.

Essential Training

The postholder will be required to undertake the following essential compliance training: Orientation, Health & Safety and Data Protection (GDPR). Other training may need to be undertaken when required.
Salary Scale:

Professional 4 - €39,156- €58,143.00

Appointment will be commensurate with qualifications and experience and in line with current Government pay policy

Closing date: Thursday, 9th March 2023

Additional Information: Please note this role does not meet criteria for a Critical Skills permit as stipulated by the Department of Enterprise, Trade & Employment.
